

KAVI X

The KAVI X is a GRP V-hull boat engineered for leisure and sport cruising, offering exceptional performance across various sea conditions. Designed with a planing hull, it ensures superior comfort, stability, and outstanding seakeeping abilities.

What sets the KAVI X *AUSTRALIAN PREMIER PACKAGE* apart is its versatile platform, allowing customisation to match your exact needs. Whether you prioritise a spacious cockpit, ergonomic seating, additional fishing rod holders, or an adjustable sliding bench configuration, the KAVI X adapts seamlessly to your lifestyle on the water.

Experience the perfect blend of power, flexibility, and luxury with the KAVI X where every journey is an adventure.
